

## **Solos – June 2024**

### **2 June – Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced**

#### **I Cannot Fall (Broones)**

I cannot stray, I cannot fall,  
My heav'nly Father watches over all.  
Man is no fallen angel from above,  
He lives and moves within the world of Love.

I cannot wander through a starless night,  
For Gods upholds me in eternal light,  
Within His arms my heart can feel at home.  
The child of God can never roam.

I love the freedom of the open sky,  
To walk in sunlight with my head held high,  
God gave His child dominion over all.  
I cannot stray, I cannot fall.

And so, my heart, in time of strife  
When ev'ry joy is taken from your life,  
Arise in strength and face the coming dawn,  
The hand of God will gently lead you on.

I will rejoice because I understand  
That man has never left his native land,  
My heav'nly Father watches over all,  
I cannot stray, I cannot fall.

### **9 June – God the Only Cause and Creator**

#### **The Omnipresent (O'Connor-Morris)**

Our God is All-in-all...in whom we live and move,  
A tender ever presence, For God is Love.  
God to preserve us and provide, God to support,  
inspire and guide; God in the home and in the street,  
God in the hearts...of...all we meet;  
God in the darkness...and in the day,  
God in our work and in our play;  
Filling our present and our past,  
Filling our future, First and last.

Our God is All-in-all, beneath us and above.  
His blessing rests on all His works, For God is Love,  
God is Love.

### **16 June – God the Preserver of Man**

#### **Feed My Sheep (Cole)**

*Words by Mary Baker Eddy*

Shepherd, show me how to go  
O'er the hillside steep,  
How to gather, how to sow,  
How to feed thy sheep;  
I will listen for thy voice,  
Lest my footsteps stray;  
I will follow and rejoice  
All the rugged way.

Thou wilt bind the stubborn will,  
Wound the callous breast,  
Make self-righteousness be still,  
Break earth's stupid rest.  
Strangers on a barren shore,  
Lab'ring long and lone,  
We would enter by the door,  
And thou know'st Thine own;

So, when day grows dark and cold,  
Tear or triumph harms,  
Lead Thy lambkins to the fold,  
Take them in Thine arms;  
Feed the hungry, heal the heart,  
Till the morning's beam;  
White as wool, ere they depart,  
Shepherd, wash them clean.

### **23 June – Is the Universe, including Man, Evolved by Atomic Force?**

#### **How Marvelous is the Power of God (Haydn)**

How marv'ulous, how marv'ulous is the power of God, of God who made the earth and heaven.  
How wondrous are His works and ways,

O let us sing, O let us sing His everlasting praise, His everlasting praise. How wondrous are His works and ways. O let us sing, O let us sing His everlasting praise, His everlasting praise. The sun and moon with glowing light, And all the shining stars of night Proclaim in endless round - their great creator's might, their great creator's might. How marv'lous is the pow'r of God, Our God who made the earth and heaven. Let all unite with joyful song, His holy name adore. O praise the Lord, O praise the Lord, And all His wondrous works, which are forever more. O sing, O sing, O sing unto the Lord, and all His wondrous works, which are forever more!

### **30 June – Christian Science**

#### **Come to the Waters (Cherubini)**

Come ye, come to the waters. Ho, every one that thirsteth, come to the waters, come to the waters. Hear, O hear ye the word of God. Hear, and your soul shall live forever.

Come ye, come ye, come to the waters. Blessed are they who thirst and hunger, thirst and hunger after righteousness, thirst and hunger after righteousness.

Come ye, come to the waters. Ho, every one that thirsteth, all ye that thirst and hunger, Come to the living waters. Come ye, Ah, come ye, Ah, come unto the waters, the living waters.
